Town of Lisbon

My name is Craig Drew, I am the owner of Drew's New to You, LLC. We are located at 319 Eastern Avenue in Augusta. I apologize for not being at this meeting. I am out of the country on a vacation with my family.

I wanted to tell you a little bit about myself and my family. I am a Veteran of the United States Army. I served during Desert Storm/Desert Shield. I spent 1 tour overseas and was honorably discharged as an E-5, Sargeant. Upon discharge I came back home to Maine and married my wife, Melanie. We met at summer camp when she was 12 and I was 13. We've been married 28 years as of April 12th and we've raised 4 wonderful daughters and are grandparents of 4 beautiful grandkids.

I started in the automotive industry in 1998. I've been a sales manager, finance manager, general sales manager and general manager before I decided to open my own store, Drew's New to You in 2020. We became an Old Hickory Buildings dealer in August 2022 while still focusing on selling used cars.

We've come to love the quality, warranty and affordability of Old Hickory Buildings and would like to share this with your community. With your approval we would like to have an unmanned satellite location at 501 Lisbon Street. This location would have 10 buildings/sheds, loads of information, and ways to reach us if a person had questions or would like to purchase one. We will offer cash sales, 90 days same as cash, and 48 months rent to own. We will visit the lot once or twice a week to maintain the grounds and the buildings, to ensure the pamphlets and brochures are stocked, and our area is clean.

Our lease is until November 30 and all of our inventory will be moved from the location by that date. If everything goes well this year we will be looking to lease the property again next year. Thank you for your consideration.

Sincerely,

Craig Drew

Owner
